

**SHB 1113** - S AMD TO NR COMM AMD (S2848.1) **370**  
By Senators Honeyford, Morton, Fraser

**ADOPTED 04/15/2003**

1        On page 4, line 11 of the amendment, after "reclamation." insert  
2        "Any change in place of use that results from a transfer of water  
3        between the individual entities of the board of joint control shall not  
4        result in any reduction in the total water supply available in a  
5        federal reclamation project. In making the determination of whether a  
6        change of place of use in an area covered by a federal reclamation  
7        project will result in a reduction in the total water supply available,  
8        the board of joint control shall consult with the bureau of  
9        reclamation."
